## Benefits of using mediation to resolve family disputes

- Preserves or adjusts family relationships in a manner acceptable to all parties
- Provides a forum to address issues a court may not address
- Provides forum for creative solutions a court cannot provide
- Is confidential - family issues do not become public information
- Saves time & money compared to time & cost of litigation
- Parties control the outcome—not a court
- Provides a safe forum to resolve emotional issues
- Signed mediated agreements are contracts enforceable in court

## PSG Mediators will help you with family issues such as:

- Pre-nuptial Agreements
- Reconciliation Contracts
- Separation Agreements
- Child Custody & Visitation
- Spousal Support & Child Support
- Divorce
- Division of Property
- Non-married Couples Issues
- Contested Wills
